

Technical Datasheet

650 PC AF121 - Clear

Code: 650.S1.00.01

DISTRIBUTION PAR

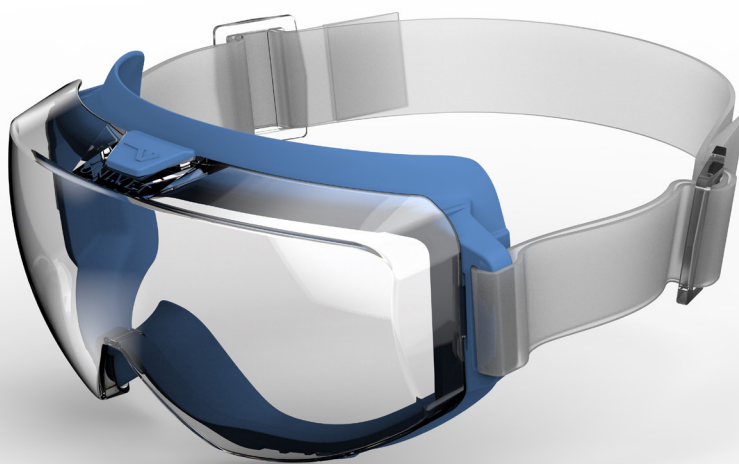

UNIVET

Release date: 01/02/2024

The 650 CleanRoom Goggle is designed for practicality. It **seamlessly integrates with prescription glasses**, ensuring total protection for those who require the combined use with corrective eyewear. These goggles are designed for **easy sterilization by autoclave** and can seamlessly integrate into your sterile ensemble. Our goggles, through a meticulous ventilation project, effectively minimize the shedding of particles from eyelashes and surrounding areas, significantly reducing the risk of introducing foreign particles into your sensitive manufacturing processes.

- AF121 lens technology
- Unrestricted peripheral vision
- Wearable over prescription glasses
- Easily sterilizable - autoclave
- ISO 16321 & ANSI certified
