

 **semper**
med**derma PF**

A highly valued surgical glove

The sempermed® derma PF offers good reasons to switch to powder-free gloves.

**Easy to don****Secure grip****Economically-sound solution****Skin-friendly**

Easy to don

The glove is easy to put on thanks to the synthetic lining.

Secure grip

Sempermed® derma PF offers a confident grip and thus combines safety and tactile properties.

Economically-sound solution

Allergies and other health risks pose risks to end-users and strain healthcare systems. This powder-free glove eliminates powder-related health issues, reducing long-term costs.

Skin-friendly

This powder-free glove provides improved safety for staff, patients and visitors as there are no powder-related dermatological, allergic and toxic health risks.
